DIVINOCTA

PARA NOCTA

AMAZING NIGHTS
Outdoor & Indoor

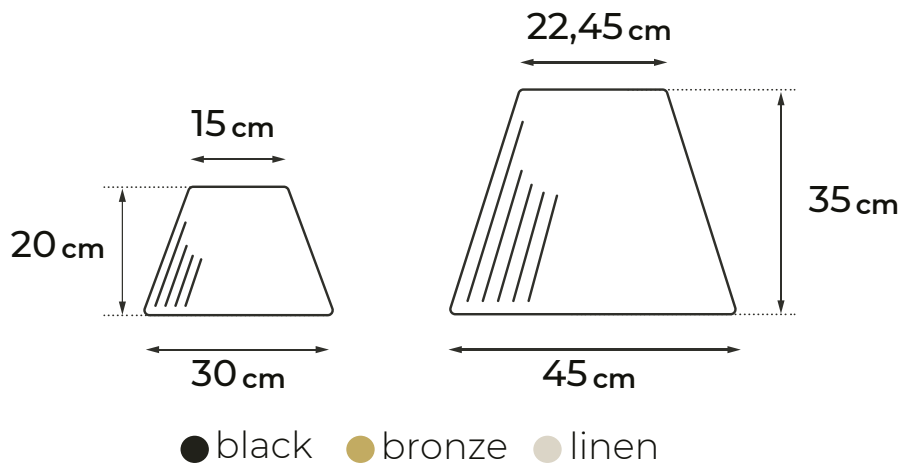

Without any installation work, DiviNocta lampshades transform any space into a welcoming and sophisticated place. Made from durable materials such as Olefin fabric and poly rattan combined with thermo-lacquered stainless steel, they offer **exceptional weather resistance** with a natural and elegant aesthetic.

Versatile, easy to install and maintain, DiviNocta enhances outdoor and indoor spaces, instantly creating a **warm and stylish atmosphere**.

OLEFIN ROPE

The Olefin rope is a refined decorative element, ideal for an elegant and natural outdoor setup.

Elegant both indoors and outdoors, our lampshades are durable and eco-friendly.

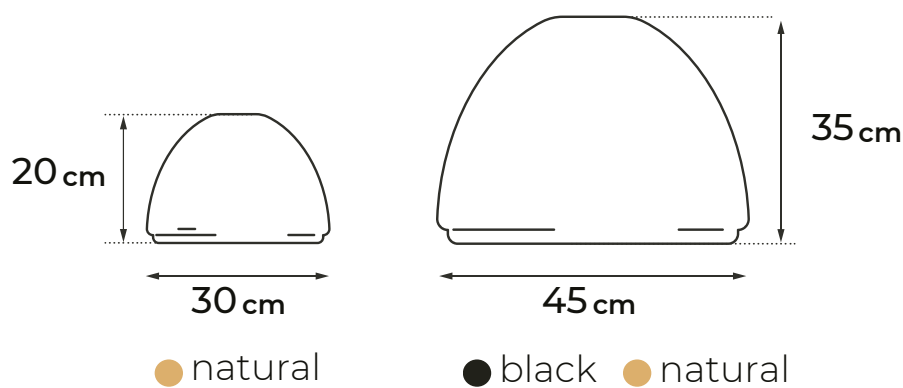

304 stainless steel frame + powder coating

POLY RATTAN

Its high resistance to humidity and sunlight, along with its aesthetic appeal, make it the star material for outdoor furniture.

Its synthetic fiber is **100% recyclable**. The weaving gives it the appearance of rattan, but in an outdoor-friendly version.

304 stainless steel frame + powder coating

WATER RESISTANT
Quick-drying and mold-resistant

UV RESISTANT
Long-lasting colors

STAIN RESISTANT
Easy maintenance

100% RECYCLABLE

WARRANTY 10 YEARS

ACCESSORIES

The lampshade attaches to the **magnetic adapter**.

Once connected, the BULBEE lamp easily secures to it using its magnetic screw.

2 WAYS TO HANG

WITH THE **OLEFIN STRAP**

The strap matched with the Olefin rope lampshades allows them to be hung anywhere and adjusted to the desired height.

It's also suitable for hanging our DiviNocta poly rattan lampshades.

- Black, linen, bronze
- 110cm
- Magnetic adapter to mount (ring)

WITH THE **GALANOCTA TABLE ARM**

It allows a lampshade to be hung above the table, focusing the light precisely and adding both comfort and style.

- Compatible with our DiviNocta H20 lampshades
- Magnetic adapter for hanging (screw)
